the E & R amendments to LB 764.

PRESIDENT: Discussion. The question is the adoption of the E & R amendments to LB 764. All those in favor say aye. Contrary say nay. The E & R amendments are adopted.

CLERK: All right. Now, Mr. President, there is an amendment offered by Senator Stull to the bill.

PRESIDENT: Senator Bereuter, you asked for recognition first.

SENATOR BEREUTER: Yes, Mr. President, members of the Legislature, Senator Stull visited with me this morning. He has been called to his District for a funeral. He will be gone until Monday. He has an amendment which I am not in support of but he has an amendment to the bill and I knew that it was coming on Select File and I ask in fairness to Senator Stull that the bill be bracketed until Monday when he returns so that he can offer his amendment for debate and I move that it be bracketed until Monday.

PRESIDENT: Unanimous consent, Senator.

SENATOR BEREUTER: I ask unanimous consent.

PRESIDENT: Yes, is there an objection. Seeing none, the bill is bracketed on Select File until Monday. That is all the bills we have on Select File. You have more on Select File?

CLERK: Here is some more. They didn't get on that list for some reason. 711 is the next one.

PRESIDENT: All right. LB 711. I would ask for the attention of the membership. We are going on with some Select File bills that are not on your agenda so you should pay stricter attention to these. 711, 757, 920, 794, 859, 671, 634A. So that you can be prepared in case they are your bills and you may have amendments to them, the bills that are not on your green agenda which we will consider now on Select File are as follows: 711, 757, 920, 794, 859, 671, and 634A.

CLERK: Senator Dworak, they are on page 992.

SENATOR DWORAK: All right.

PRESIDENT: We will commence, then, now with this new list on 711.

SENATOR DWORAK: Mr. President, I move the E & R amendments to LB 711.

PRESIDENT: Discussion. All those in favor say aye. Contrary say nay. The E & R amendments are adopted.
